The Daylight Store

A Glance at Our Windows

Will suggest to you warmer things for cold weather. It's not too early to have these goods, while the assortment is complete. Both cotton and wool goods are higher. These were bought before the advance and could not be priced so low under present conditions.

Window No. 1

Children's Little Silk Bear Coats for \$2.98.

Children's Little Grey Astrachan Coats for \$3.98.

Children's Crushed Plush Coats for \$5.00.

It's in this window that you will see those elegant Fur-lined Coats that so many are talking about. These are the kind made by furriers. The difference between a Coat made by a furrier and one made by a ladies' tailor is just this: One Coat is made to fit the lining and the other the lining is made to fit the Coat. Do you see the point? It's plain enough as soon as you see the two Coats together.

Small Furs in this window in comparison to last season are very much less.
